### your work is accessible

# why do you have PCs

# catalog access content access office automation digitization

## savings from:

using otherwise "obsolete" equipment using devices better-suited to the purpose slashing your need for support

# 2014 Marks <u>10 Year</u> <u>Anniversary</u> of HCLS Using Groovix

#### HCLS and Customer Utilization

- a. Public Access Computers (388/48%)
- b. Staff Workstations (27%)

#### **Benefit: Cost, Stability, & Flexibility**

	<u>Linx</u>		Windows
	\$	184,688	\$ 206,028
			+ Upgrades
			+ Software
			Support Retired?

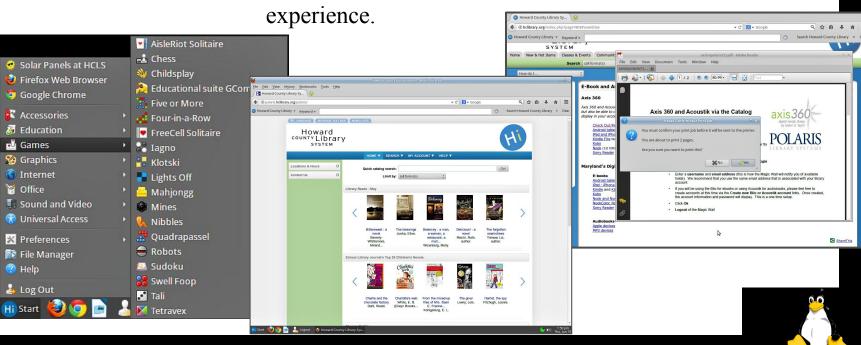

- Stability Extremely stable and incremental modifications
- Solid Investment for PACs

Librarv

#### Benefit: Cost, Stability, & Flexibility

• Flexibility – Customization that improve the customer's

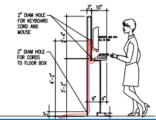

#### 10 Years later Perspective: HCLS Fleet, Applications, and Use

- Continue using 3rd Party Service IT staff and creates even greater efficiencies.
- HCSL Total Computer Fleet now and beyond.....

# groovix

# groovix

built from the ground up for public computing

a complete public computing solution

Authentication
Time Management
Reservations
Content Filtering

Security
Print Management
Automatic Updates
Central Management

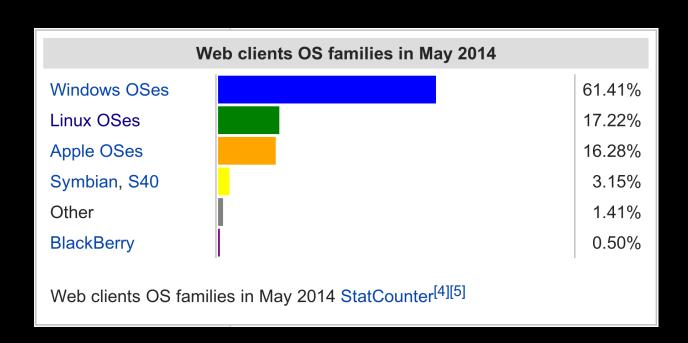

### there's no need to fear...

### linux is a formidable underdog

# not everyone loves change staff

"you've effectively eliminated 50% of our workload"

- Chris Phillips, Lake County Public Library, IN

### patrons

"I love these new computers, they're so much faster"

## linux for everyone

"Once I got Groovix all set up, I haven't touched it."
- Marian Wynn

https://techsoupforlibraries.org/spotlight/linux-based-public-computers-still-running-strong

### how to get started today

buy a chromebox/chromebook

try ubuntu with guest sessions

groovix.com/go or grab a dvd here
